PARTNERSHIPS

CCLS has developed partnerships with several colleges and universities in Florida and throughout the United States.

Depending on the university or college, CCLS students who successfully complete the Intensive English Program with at least 75% grade are automatically accepted by the institution.

Some universities offer a "pathway program" into undergraduate or graduate studies; specifically for students who need additional academic preparation for Bachelor's, Master's or Doctorate's programs.

Occasionally, universities representatives also visit CCLS campus to do a presentation of their institution and courses offered.

Our Academic Department will be happy to assist you choose and apply to college or university.

Fact: Several CCLS students have been accepted by a college or university without taking the TOEFL.

Our language school is conveniently located in a very safe residential and commercial area in the heart of Miami. Whether you are looking to grab a bite, explore the city, or go by your day-to-day activities, there is always something in the area for you!

NEIGHBORHOOD

We are located on Coral Way which is the home to many restaurants, from fast food to dine-in locations, offering ethnic cuisines such as: Cuban, Mexican, Chinese, Japanese, Peruvian, Portuguese, Spanish, to name a few.

If you want some coffee or a snack during your class break, there is a cafeteria on the second floor of our building.

Once you're done with school, you can cross the street and check off some of the items on your grocery list at the supermarket which also offers ready-to-eat foods and a great salad bar.

Need to keep in shape? LA Fitness gym is just a block away, in the same mall as Marshall's department store, Nordstrom Rack (fancy clothes at discounted prices), DSW Shoes, among other stores.

So what else is there to do when you have some free time to spare? Lucky for you, Coconut Grove is very close to CCLS. It offers a warm, laid-back atmosphere of charming boutiques, sidewalk cafes and sailboats anchored at the bay. Coconut Grove marina is worthy of an Instagram post.

Coral Gables, a few blocks from CCLS is known as the City Beautiful, with its "green avenues" and Mediterranean architecture. It offers lots of entertainment and shopping. On the weekends, you can hit the beaches, enjoy some of Miami's historic art deco architecture, go to the Zoo, or venture downtown and visit a museum.
