

I-20 EXTENSION REQUEST FORM

Cultural Center for Language Studies

The I-20 extension is intended for F-1 students who need to remain in an educational program beyond the estimated completion date of their program as stated on their I-20 forms.

I-20 Extension Eligibility:

- The student must have continually maintained legal status
- The extension request must be supported by valid academic or medical reasons. Delays caused by academic probation or suspension are not acceptable reasons for program extensions
- The student must be making normal progress towards the completion of the IEP program
- Student expressly agrees to continue maintaining full-time student status at CCLS
- Student must request extension of stay at least 30 days before the expiration date on his/her current I-20

PLEASE NOTE:

- The extension procedure will extend the I-20 but not the visa stamp.
- If the student has an expired visa stamp in his/her passport, s/he may remain in the U.S. However, if s/he travels out of the U.S. on an expired F-1 visa, s/he will still need to apply for a new visa stamp to re-enter the U.S.
- This request does not automatically grant an I-20 extension. The request will be reviewed by the school PDSO/DSO and approval may be granted or denied.
